

I wish I knew (how it would feel to be free)

I wish I knew how it would feel to be free.
I wish I could break all the chains holding me.
I wish I could say all the things that I should say
Say 'em loud, say 'em clear
For the whole round world to hear.

I wish I could share all the love that's in my heart.
Remove all the bars that keep us apart.
I wish you could know what it means to be me,
Then you'd see, and agree
That ev'ry man should be free.

I wish I could give like I'm longing to give.
I wish I could live like I'm longing to live.
I wish I could do all the things that I can do
And tho' I'm way overdue
I'd be starting anew.

Well I wish I could be like a bird in the sky.
How sweet it would be if I found I could fly.
Oh I'd soar to the sun and look down at the sea,
Then I'd sing 'cos I know
How it feels to be free.

Then I'd sing 'cos I know
How it feels to be free.

Yes I'd sing 'cos I know
How it feels to be free!

You and me (Shelter)

1.

Like a bird trying to flee the wild of winter,
I landed here, somewhere unknown.
Sights and sounds, all so strange and unfamiliar,
Left me feeling all alone.

What I needed was a friendly word,
An outstretched hand, somewhere to be heard.
Time to catch my breath, plant my feet back on the
ground.

You and me, build a space that's safe and warm.
We all need a place where we belong,
To gather strength and rise above the storm.
Woah, woah, woah.
Woah, woah, shelter.
Woah, woah, woah.
Woah, woah, shelter.

2.

Often, I start drifting back into dark waters,
I feel the waves crash over me.
But if I lift my head and focus on the shoreline
I find a refuge where I'm free.

What I need right now is some room to breathe
Without judgement, somewhere I can be me.
Take a moment to rebuild myself again.

You and me, build a space that's safe and warm.
We all need a place where we belong,
To gather strength and rise above the storm.
Woah, woah, woah.
Woah, woah, shelter.
Woah, woah, woah.
Woah, woah, shelter.

I'm a phoenix and I've made it through the fire.
Rising from the ash, I spread my wings and I climb
higher, 'til

You and me, build a space that's safe and warm.
We all need a place where we belong,
To gather strength and rise above the storm.
Woah, woah, woah.
Woah, woah, shelter.
Woah, woah, woah.
Woah, woah, shelter.

Make Your Own Kind of Music

Nobody can tell ya,
there's only one song worth singing.
They may try and sell ya,
cos it hangs them up to see someone like you.

But you've gotta make your own kind of music,
sing your own special song.
Make your own kind of music,
even if nobody else sings along.

You're gonna be nowhere,
the loneliest kind of lonely.
It may be rough going:
just to do your thing's the hardest thing to do.

But you've gotta make your own kind of music,
sing your own special song.
Make your own kind of music,
even if nobody else sings along.

So if you cannot take my hand,
and if you must be going, I will understand.

You've gotta make your own kind of music,
sing your own special song.
Make your own kind of music,
even if nobody else sings along.

(sing last chorus three times)
You've gotta sing!

I wish it could be Christmas every day

When the snowman brings the snow
Oh, well he just might like to know
He's put a great big smile
On somebody's face
If you jump into your bed
Quickly cover up your head
Don't you lock the doors
You know that sweet Santa Claus is on the way

Oh well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
So let the bells ring out for Christmas

When you're skating in the park
If the storm cloud paints it dark
Then your rosy cheeks gonna light
My merry way Now the frosticals appeared
And they've frozen up my beard
And so we'll lie by the fire
Till the sleep simply melts them all away

Oh well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
So let the bells ring out for Christmas

When the snowman brings the snow
Oh, well he just might like to know
He's put a great big smile
On somebody's face
So if Santa brings the sleigh
All along the Milky Way
I'll sign my name on the rooftop in the snow
Then he may decide to stay

Oh well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
So let the bells ring out for Christmas

Why don't you give your love for Christmas?
