### Our Vision

*To be a learning community that promotes the unique gifts, wellbeing and potential of every person. Our work is founded on the life and teaching of Jesus Christ, building on His message of equality, peace and justice, guided by His words 'As I have loved you, so you must love one another' (John 13:34).*

Dear parents and carers,

### **PARENTING FACTORS SURVEY**

We have been asked by a former placement student to disseminate a survey, which will form part of their research on parenting factors and parents' reflections on various topics regarding themselves and their children.

*Your responses are anonymous if you choose to take part.*

To take part in the 10-minute survey:

- You must be a parent of a primary school aged child/children (5-11 years old)
- You must be currently living in the UK (you do not have to be a UK resident).

If you have more than one child who matches the above criteria, please re-complete the questionnaire for each individual child.

If there is another parent/guardian legally responsible for your child/children, we would also value their separate participation in this study - each parent must complete the survey individually.

Here is the link to the survey:

We thank you in advance for your participation.

Yours sincerely,
