Dear Parents / Carers,

Re: "The Science Machine" - Year 1 Freshwater Theatre show – 18th January 2023

As part of this term's Science curriculum studies, we have arranged for the Freshwater Theatre Company to come into school on Wednesday 18th January to perform a show on "The Human Body" for the children in Year 1.

Children will take part in an hour-long interactive workshop using drama activities such as role play and tableaux to explore the topic. They will have to demonstrate their knowledge and enthusiasm about science to an eccentric scientist, and pass tasks like outwitting a disgruntled monster to save the professor's science machine from imploding!

The cost of the show per child is £4.50, but the school will subsidise the performance and as a result we are only asking parents/carers for a contribution of £2 towards the cost. Please make this payment on [ParentPay](#) when you give consent for your child to watch the show.

Yours sincerely,

Mrs Christine Graham
Headteacher
