Dear Parents/Carers,

SATS REVISION GUIDES 2023

Your children have had a positive start to year 6 and have been good role models for the rest of the school. Since the beginning of the term, your children have grown in maturity and it has been a pleasure to teach them.

In order to support our children to reach their full potential, we have a SATs revision pack to complement the school curriculum and help them prepare for their SATs exams in May 2023. The pack contains a series of revision guides that covers all aspects of maths. This pack contains the following books:

- Arithmetic book
- Number, Ratio and Algebra book
- Measures, Geometry and Statistics book
- Maths revision guide
- SATs Grammar question book
- SATs English revision guide

The pack will form an essential part of their homework, daily home learning and booster provision. These books will be used under the direction of teachers to address gaps in learning, misconceptions and offer additional practice to reinforce concepts taught within lessons.

The purchase of these books has been heavily subsidised to reduce costs to parents. In order to secure your child's revision pack (a total of 6 books), a payment of £15 should be made via ParentPay by Friday 15 September.

Thank you in advance for your support.

Yours sincerely,

Mrs Christine Graham
Headteacher
