

Faith - key concepts to unpack

- Sometimes it is hard to have Faith - what can cause this and how can we overcome these challenging times?
- Sometimes it is hard to trust another person, especially when it is about something that is important to us
- Everyone will take Faith from different sources and beliefs - how can we show respect to someone who has a different Faith?
- How can you show someone else that you have Faith in them?
- Is Faith on its own enough to make things happen, or do you need other values alongside Faith?
