

### In Design Technology we will be asking...

- What did Iron Age people eat?
- What are bread and butter made from?
- How did you improve your bread/butter?

I already know...

I have learned:

#### Key Vocabulary

- Bread wheat churn knead evaluate ingredients
- Recipe hygiene flavour quantity grams millilitres

## From Farm to Fork

#### Key Vocabulary

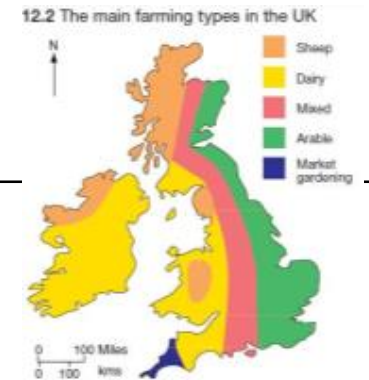

- farming
- crops
- arable
- dairy
- livestock
- agriculture
- pasture
- Region
- Urban
- rural
- Resource

### In Geography we will be asking...

- What types of farms are there in the UK?
- Why are there lots of sheep farms in Scotland and Wales?
- What is a crop?

I already know...

I have learned:

#### Key Vocabulary

- artefacts
- iron
- compare
- archaeology
- primary source
- secondary source
- research
- evidence

### In History we will be asking...

- When was the Iron Age?
- Why was iron better than stone or bronze for making tools?
- Why was farming important for Iron Age people (Celts)?

I already know...

I have learned:
