<div>9:45 Maths</div> <div>If you do not have a printer – no worries, just answer as many questions in your workbook as possible.</div>	<div>Practice your 9 times table. Have a go at the questions below.</div> <div><div>Complete the sentences to describe the oranges:</div><div>There are ____ lots of 9</div><div>There are ____ nines.</div><div>4 × ____ = ____</div><div>Complete the fact family.</div><div><div><div>10</div><div>9</div><div>9</div></div><div>× = ____</div><div>× = ____</div><div>÷ = ____</div><div>÷ = ____</div></div><div>Complete the sentences.</div><div>There are ____ lots of ____</div><div>× = ____</div><div>÷ = ____</div><div>There are ____ lots of ____</div><div>× = ____</div><div>÷ = ____</div><div>What's the same about each question? What's different?</div></div> <div>Now complete the worksheet provided below.</div> <div>https://resources.whiterosemaths.com/wp-content/uploads/2019/10/Y4-Autumn-Block-4-WO9-Multiply-and-divide-by-9-2019.pdf</div> <div>Challenge! Some of you can try the reasoning and problem-solving question provided below.</div> <div><div>Amir and Whitney both receive some sweets.</div><div><div><div>Amir</div><div>I have more sweets because I have more rows.</div></div><div><div>Whitney</div><div>I have more sweets because I have more in each row.</div></div></div><div>Who has more sweets? Explain your reasoning.</div></div>	<div>Practice your 9 times table. Have a go at the questions below.</div> <div><div>What are the missing numbers from the 9 times table?</div><div>9 18 27 ____ 45</div><div>54 ____ 72 81 90</div><div>Circle the multiples of 9.</div><div>54 108 18 24 9 67 72 37</div><div>Use your knowledge of the 9 times table to complete the missing values.</div><div>1 × 9 = ____ ____ × 1 = 9 1 × 9 × ____ = 90</div><div>____ × 9 = 90 900 = 100 × ____ 9 × 1 × 10 = ____</div><div>9 × ____ = 900 4 × 9 = ____ 9 × 1 × ____ = 900</div><div>What do you notice about the 9 times table and the 10 times table?</div><div>9 times table: 9 18 27 36 45 54</div><div>10 times table: 10 20 30 40 50 60</div></div> <div>Now complete the worksheet.</div> <div>https://resources.whiterosemaths.com/wp-content/uploads/2019/10/Y4-Autumn-Block-4-WO10-9-times-table-and-division-facts-2019.pdf</div> <div>Challenge! Some of you can try the reasoning and problem-solving question provided below.</div> <div><div>Can you complete the calculations using some of the symbols or numbers in the box?</div><div><div>÷</div><div>9</div><div>100</div><div>10</div><div>900</div><div>=</div></div><div>____ ÷ ____ = 9</div><div>90 = 900 ____ 10</div></div>	<div>Practice your 7 times table. Have a go at the questions below.</div> <div><div>Use a number stick to support counting in sevens. What do you notice?</div><div>Write down the first five multiples of 7</div><div>____</div><div>Rosie uses number pieces to represent seven times four. She does it in two ways.</div><div>4 sevens 4 lots of 7 7 fours 7 lots of 4</div><div>4 × 7 7 × 4</div><div>Use Rosie's method to represent seven times six in two ways.</div><div>Seven children share 56 stickers. How many stickers will they get each?</div><div>Use a bar model to solve the problem.</div><div>One apple costs 7 pence. How much would 5 apples cost?</div><div>Use a bar model to solve the problem.</div></div> <div>Complete the worksheet.</div> <div>https://resources.whiterosemaths.com/wp-content/uploads/2019/12/Y4-Autumn-Block-4-WO11-Multiply-and-divide-by-7-2019.pdf</div> <div>Challenge! Some of you can try the reasoning and problem-solving question provided below.</div> <div><div>What do you notice about the pattern when counting in 7s from 0?</div><div>Does this continue beyond 7 times 12?</div><div>Can you explain why?</div><div>In which other times tables will you see the same pattern?</div></div>	<div>Practice your 7 times table and have a go at the questions below.</div> <div><div>Complete.</div><div>3 × 7 = ____</div><div>30 × 7 = ____</div><div>300 × 7 = ____</div><div>Use your knowledge of the 7 times table to calculate.</div><div>80 × 7 = ____ ____ = 60 × 7</div><div>70 × 7 = ____ 7 × 500 = ____</div><div>How would you use times tables facts to help you calculate how many days there are in 15 weeks? Complete the sentences.</div><div>There are ____ days in one week.</div><div>____ × 10 = ____</div><div>There are ____ days in 10 weeks.</div><div>____ × 5 = ____</div><div>There are ____ days in 5 weeks.</div><div>____ + ____ = ____</div><div>There are ____ days in 15 weeks.</div></div> <div>Complete the worksheet.</div> <div>https://resources.whiterosemaths.com/wp-content/uploads/2019/10/Y4-Autumn-Block-4-WO12-7-times-table-and-division-facts-2019.pdf</div> <div>Challenge! Some of you can try the reasoning and problem-solving question provided below.</div> <div><div>Children were arranged into rows of seven.</div><div>There were 5 girls and 2 boys in each row.</div><div><div><div><div><div></div><div></div><div></div><div></div><div></div><div></div><div></div></div><div><div></div><div></div><div></div><div></div><div></div><div></div><div></div></div></div></div><div>Use your times table knowledge to show how many girls would be in 10 rows and in 100 rows.</div><div>Show as many number sentences using multiplication and division as you can which are linked to this picture.</div><div>How many children in total are there in 200 rows? How many girls? How many boys?</div></div></div>	<div>Today you are going to have a go at exploring the structure of a set of dominoes and think about ways of constructing different patterns.</div> <div><div>• how many are there where both ends are the same?</div><div>• can we make lines of the ones that add up to different numbers?</div><div>• what's the longest chain I can make where the ends of two dominoes match?</div></div> <div></div>
10:45 Break					
11:00 Literacy	<div>Today we are going to be planning our story.</div>	<div>Today you are continuing and completing your planning.</div>	<div>You should have by now completed your plan and are ready to publish. Head on over to Purple Mash where I have set you a 2do called 2Create a Story.</div>	<div>You should have made a start on publishing your story. Today you will be finishing it off. Head on over to Purple Mash where I have set you a 2do called 2Create a Story.</div>	<div>IXL Literacy activities.</div>

	<p>Now take a look at our story ‘The Impossibly Possible Bookshop’</p> <p>Look at pages 24 – 27. Have a go at boxing up your ideas based on the story structure of ‘The Impossibly Possible Bookshop.</p> 	<p>Open up the story ‘The Impossibly Possible Bookshop’</p> <p>Look at pages 24 – 27. Finish boxing up your ideas based on the story structure of ‘The Impossibly Possible Bookshop.</p> 	<p>Take your time and do your best.</p> 	<p>Remember to check that your sentences make sense and don't forget to include pictures.</p> <p>I can't wait to read them!</p> 	
12:00 Lunch					
1:00 IXL Maths	<p>Spend half an hour on IXL – focus on multiplication and division question types. Also, please practice your 7 and 9 times tables.</p> <p>Challenge can you note any related facts of the multiplication. E.g. $3 \times 1 = 3$ so $30 \times 10 = 300$</p>				
1:30 Spelling & Handwriting	<p>Spelling: There will be a zoom meeting to conduct your spelling test for last week's spelling words</p> <p>New words for this week: chemist/brochure/scheme/league/chorus/chalet/unique/echo/machine/tongue</p>				
2:00 Topic	<p>RE</p> <p>Today we are going to be looking at ‘What is Karma and How does it affect the life of a Hindu?’</p> <p>Click here to learn what it is.</p> <p>On the pages below you will find some more information about Karma along with a worksheet.</p> <p>Your task today is to complete the ‘Action and Reaction’ worksheet.</p> <p>Think about how a person may react to you should you act in those way on the chart. How might you feel as result of their reaction? How would this affect you ultimately.</p>	<p>Science</p> <p>Today we are continuing to learn about our teeth.</p> <p>Do you know how many teeth humans have?</p> <p>Can you name them?</p> <p>What do the different teeth do?</p> <p>By the end of today's session, you will be able to answer these questions.</p> <p>Watch this video clip, click here.</p> <p>Now that you have watched the video, have a go at the quiz, let's see what you remember.</p> <p>https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity/item1079178/grade2/module1070017/index.html</p> <p>Now complete the ‘Teeth Exploration’ worksheet. This can be found below. When you are finished colour it in.</p>	<p>Computing</p> <p>Today we are going to be using our coding skills.</p> <p>But first, what is an algorithm? Watch the BBC Bite size video to find out. http://www.bbc.co.uk/guides/zqgq7tv</p> <p>Now have a look at the ‘What is decomposition?’ video. Click here. Be sure to make notes in your exercise books of the things you have learned from both these videos.</p> <p>Enough theory!</p> <p>Login to purple mash and have a go at your 2do activity.</p>  <p>Air Traffic Control</p>	<p>Geography</p> <p>We are going to be learning about ‘Fairtrade’ today.</p> <p>Find your research grid and fill in the first 2 columns. K (what I know?) So, what you already know about fair-trade if anything at all. If not leave this column blank.</p> <p>Fill in the W (what I want to know?) column.</p> <p>Write a least 3 questions that you have about fair trade.</p> <p>Now click here to find out.</p> <p>Make sure to watch the video 3 times to extract as much information as possible. Remember to put all that you have found out in the ‘L’ column (what I learned’.</p> <p>Click here to learn a bit about fair trade cocoa.</p> <p>Your task today is to design a poster encouraging people to buy fair trade products. Head on over to purple mash to get designing. It is called 2Do: Fair trade Poster.</p>	<p>P.E</p> <p>Complete this workout video</p> <p>Click here</p> <p>Make sure to drink your water!</p>
3:00 Reading	<p>Enjoy reading a story or listen to the poem ‘Babysitter’ by Michael Rosen Enjoy!</p>				

Remember to send photos of yourselves engaging with your learning. We would love to share them with the rest of St Mary's!

RE – Lesson information

Karma

Hindus believe in karma. This is the idea that for every action, there is a reaction or consequence.

If you are kind and considerate, you will have good karma; however, if you are selfish, you will have bad karma. This will affect how you will live in the next life.

Dharma, Karma and Reincarnation

Karma refers to the law that every action has a reaction in the near or distant future. Therefore, actions in accordance with dharma will have good reactions.

If a Hindu follows the dharma, they can expect to be reincarnated into a higher form in the next life or good luck will come their way.

Reincarnation

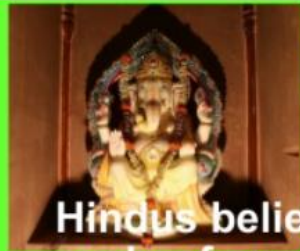

Hindus believe that all living things have a soul (atma) which cannot be destroyed. Instead, Hindus believe in reincarnation, which means that the soul exists inside the body until the living thing dies. It then enters a new living thing.

Karma, good and bad actions carried out during someone's life, affects which living thing the soul will be born into next. For example, Hindus think it is possible for a human soul to be reborn as a cat.

KARMA

FEAR-BASED	LOVE-BASED
You reap what you sow. Karma is the consequences, both good and bad, that are brought to you based on your actions, good and bad. You are judged for your actions.	Karma is a gift that brings you lessons for your soul's personal growth, and will continue to bring these lessons back around until you have learned them.

What is Karma?

Hindus believe that the soul passes through a cycle of successive lives and its next incarnation is always dependent on how the previous life was lived.

Karma is the cause of our particular destiny. Misfortunes in our present life are the result of acts that we have committed in the past. In the same way, our actions in our present lives will determine our fate in the lives that follow. Hindus therefore aim to live in a way that will cause each of their lives to be better than the life before.

Action	Reaction
Saying unkind things to people	People will be hurt and won't want to be around you
Taking away people's friends	
Hurting other people	
Not believing what other people say and ignoring their advice	
Telling lies	

Teeth Exploration

You will need:

- A partner
- A mirror

When you have your teeth checked by a dentist, you may have heard them say lots of letters and numbers. The numbers refer to your adult teeth and the letters to your milk teeth. Letters and numbers start from the back of your mouth and go to the front. So a wisdom tooth would be eight, the incisor on that side would be one. As children have fewer molars and premolars and no wisdom teeth, milk teeth are labelled from the back E D C B A. So the back molar would be E and the incisor on that side would be A. With the mirror, examine your own or your partner's teeth. On the diagram below, use the numbers and letters system to record which teeth they have. Cross out any missing teeth. Then, label incisors, canines, premolars and molars.

Explain the function of each tooth type:

Incisor_____

Canine_____

Premolar_____

Molar_____

Wisdom teeth_____

Topic -

K	W	L
What I know	What I want to know	What I learned
