

Home Learning - Year 5

This is blended learning where some work will be expected to be completed on paper, in your CGP Book and some online.

Hello everyone,

I have been very impressed by some of your contributions to our online lessons and have been particularly enjoying our discussions in DR. It has been great to see some more photographs go up on the school website. Keep them coming! I also enjoyed our first experiences with Kahoot and Purple Mash.

When typing up answers for your homework, please remember to make sure that you check your spelling, grammar and punctuation. You are NOT texting!

A reminder that they are on at 9:15 am and 2:30 pm each day. Please ensure that you arrive on time and that you are appropriately dressed.

It is also important that you are not looking at your computer screen too much so take regular breaks. Try spending 5 minutes looking out of the window and noting what you see and hear, or do some lunges or star jumps around the room.

ANY questions or queries, contact the school and I will get back in touch with you. Or type a question on Teams and I will respond as soon as I can.

Missing you all.

Miss Baxter 😊

Week 5 Home Learning Timetable

Please remember – These timings are a guide – you can complete the tasks in any order!
If you finish the work quickly, think – have I completed this to the highest standard possible?

If your answer was, ‘No’ – go back and make improvements.

If you thought, ‘Yes’ – you can read a book, play a card game, do some drawing, spend time on IXL, Espresso, Purple Mash or Busy Things.

Make sure that you pause and replay the videos as much as you need to ensure that you understand them. Use google to find out the meaning of each of these words and write a definition for each. Next, use each word in a sentence. Then practice these words each day using a different spelling strategy like the examples below.

Write your spelling words two times each.

Secret Agent Words

Then convert your words to a number code.

Choo-Choo Words

Write the entire list end-to-end as one long word (like a train). Use a different colored crayon for each word.
