You can print it off and cut and stick or you can make your own poster on a piece of paper showing what Muslims give in Zakat. Can you write all of the different things in a list using commas?</p> <p><b>THINK</b> Most religions encourage people to give to charity and help people who need it.</p>

			<p>Can you think of any other religions that pray? How do they do it? Is it the same or different? How?</p>	<p>and make a poster showing all of the wudu steps in the right order on a piece of paper.</p> <p><b>THINK</b> Do you think it's very easy to do all of this five times a day? Is there anything you do that is not very easy but is so important to you that you do it anyway?</p>	<p>What could you do to help others less fortunate than yourself?</p>
