Monday	<p>Buster was living with his grandma. There are many types of families. Have a look at the video and then discuss with your grown-up about the members of your family.</p> <p>https://www.youtube.com/watch?v=N37z7Ve8Rik</p>	<p>https://www.youtube.com/watch?v=yf2JZthKONU</p> <p>Sing and join in with the dancing!</p> <p>That is going to wake you up, sleepy ponies.</p>	<p>Have a discussion with your grown-up about your favourite animal from the farm</p> 	<p>https://www.youtube.com/watch?v=FXb3P5JsGmc</p> <p>Listen to the story. What did Buster's grandma ask him to find? Where did Buster look? What types of animals did he meet?</p> 	<p>https://classroom.thenational.academy/lessons/count-four-objects-reliably-75jk4r?activity=video&step=1</p> <p>Today you will learn to count confidently to four. If you are brave enough, you can count backwards as well. Have some pencils, lego bricks or buttons to help you. Sing 'Four little ducks went swimming one day' to practice counting.</p>	<p>https://www.youtube.com/watch?v=77qMLUM078I</p> <p>What is a farm? What can we find in the farm? Why are farms so important? Take a look at the video and see if you can answer the questions.</p> 	<p>Using building blocks that you have available or empty boxes and recycled materials, design and make a house for an animal. Use the homes that Buster finds the animals in for inspiration. For example, a sty for a pig or a hutch for a rabbit.</p> 
Tuesday	<p>What is your favourite thing to do with your family? I like going to the park and play with the ball.</p> <p>https://www.youtube.com/watch?v=UtlmNy-AWwo</p> 	<p>https://www.youtube.com/watch?v=YKmRBZ23g2s Yoga on a farm today!</p> 	<p>https://central.espresso.co.uk/espresso/modules/ev_people_help/people_further/video_farm.html?source=search-all-F-all-all&source-keywords=farm How is the farmer taking care of his cows?</p> 	<p>There are so many different animals living on a farm. There are horses, ducks, hens, cows, pigs etc. Can you name some more? What noises do these animals make? Can you make the sound of a farm animal for a grown-up to guess?</p> 	<p>Can you find groups of 4 objects in your house? Maybe you have 4 flower pots on the window sill. Or 4 pillows on the couch. Or maybe 4 racing cars or 4 soft toys.</p> 	<p>https://www.youtube.com/watch?v=8M8siMgbVKA</p> <p>A visit to a farm! What fruits or vegetables are your favourite?</p> 	<p>https://www.youtube.com/watch?v=6HzoUcx3eo</p> <p>Sing along with Old McDonald. You can add all your favourite animals.</p> 

<p>Wednesday</p>	<p>https://www.youtube.com/watch?v=a2GAPIHXakk</p> <p>Another video about the diversity of families. Do you have siblings? Do you go and visit your grandparents? Do you have aunts or uncles?</p> 	<p>https://www.youtube.com/watch?v=9E7I0JPglE</p> <p>Shake that egg! Or you can use a ball!</p> 	<p>https://www.youtube.com/watch?v=WtH7hNKyOD8</p> <p>Listen to the story! Would you like to be a farmer? Can you imagine how a day from your life as a farmer will be? What plants will you grow in your farm? What animals would you have? Can you think of some cute names for those animals?</p> 	<p>Can you match the labels with the animals? Click on the picture to play the game. I have added the link at the bottom of the page, in case the picture doesn't work.</p> 	<p>https://classroom.thenational.academy/lessons/develop-an-understanding-about-the-number-four-cmu3cr?activity=video&step=1</p> <p>We are going to develop our understanding of number 4.</p> 	<p>Farm animals are providing us with lots of different products. Do you know where the milk comes from? What about eggs? Where does honey come from?</p> 	<p>Can you use toilet rolls to make yourself some pins? You can then use a soft ball and play some bowling.</p> 
<p>Thursday</p>	<p>https://www.youtube.com/watch?v=ii_LtHrEiao</p> <p>I have found two wonderful songs about families. Have a look and sing along.</p> <p>https://www.youtube.com/watch?v=cu17n5V-hHk</p>	<p>https://www.youtube.com/watch?v=kds9mLAlIB8</p> <p>Are you going to be a super hero today and save the world by washing your hands?</p> 	<p>What do you think animals on the farm need to grow? Where do they need to live?</p> 	<p>https://www.youtube.com/watch?v=TdDWvgX4q0I</p> <p>'Oh Dear' by Michel Rosen. Listen carefully, what animals does he get given? Make a list with your grown up. What rhyming words can you hear?</p> 	<p>https://classroom.thenational.academy/lessons/count-five-objects-reliably-6xj6at</p> <p>Count forwards and backwards to 5 today.</p> <p>"Zoom, zoom, zoom We're going to the moon" will help you with that.</p> 	<p>https://www.youtube.com/watch?v=gQRxCMaG6fg</p> <p>What does a farmer do all day? I am thinking, maybe sun bathing in the fields? No, a farmer has to work very hard every day!</p> 	<p>https://www.youtube.com/watch?v=Sr1sQ7kGYIY</p> <p>A lovely song about a farmer's life.</p> 

<p>Friday</p>	<p>https://www.youtube.com/watch?v=gMpecJKW0IM It does not matter how many members are in your family or how few. All that matters is that you all love each other.</p> 	<p>https://www.youtube.com/watch?v=iHJ2fW3jUVE Exercise on a farm!</p> 	<p>Play a little game with your grown-up. Gather some farm animals or any other toys you have. Have a proper look at them then close your eyes and your grownup will take one of the toys away. Try to guess which one is missing.</p> 	<p>https://central.espresso.co.uk/espresso/modules/ey_four_ways/index.html?source=search-Literacy-F-Literacy-all&source-keywords=farm Listen to the wonderful stories from espresso. You have some questions on the side as well. Try to answer them.</p>	<p>https://www.bbc.co.uk/cbeebies/puzzles/peter-rabbit-counting Help Peter Rabbit count the vegetables.</p> 	<p>I love yogurt! What is your favourite dairy product? We have to be grateful that cows exist and they are sharing their precious milk with us! https://www.youtube.com/watch?v=m9eqt6YPI7Y</p>	 <p>Using cotton wool and some paper, make a soft little lamb.</p>
---------------	---	--	--	--	--	--	---

This week we are focussing on “Oh Dear” by Rod Cambell. The activities above are suggestions to get you started in supporting your child’s learning. Please, feel free to adapt them to your child’s level and include their interests as well. Children learn best through play, so make sure you are encouraging curiosity and let them use and develop their imagination. Work your way through the activities at a pace that works for you and your child. Try to turn off any distractions (e.g. the TV) and create a space where you can learn together. Keep it fun and keep each session short – maybe half an hour. The most important thing you can do is to carry on speaking with your child, to support their language development and to listen to their concerns at this time. If you require any support with your child’s Home Learning, please do not hesitate to email admin@st-marys.lewisham.sch.uk or ring 0208 6902613.
