WORRIED ABOUT MOULD AND DISREPAIR? LANDLORDS NOT RESPECTING YOUR RIGHTS? COUNCILS THAT WON'T LISTEN TO YOUR COMPLAINTS?

This training is for all renters of St Mary's School who want to learn more about their rights. As renters - council, housing association and private - we know that the law is often on the side of landlords. But we do have some rights, and it's useful to learn what they are and how to use them. Knowing our rights can help us feel confident to stand up to landlords, councils, and letting agents.

This training will cover your rights especially around disrepair. You will also hear about successful collective action taken by renters to improve their housing conditions and have time to talk with others about how this might apply to your own circumstances.

There will be time to ask questions, meet other renters and parents of the school, and hear more about how you can get involved with the London Renters Union.
