

# The parable of the wise and foolish builders.

## Matthew 7:24-27

*Jesus tells the parable of the builders on the rocks and sand. This well-known story illustrates the importance of building one's life on the teachings and examples of Jesus. We can reflect on the 'Rock' that our school vision and values provide for our school community and how we can build on these solid foundations.*

“Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash.”
