Impact:

The key aims from the 2022 / 2023 Sports Premium plan have been met:

- Sports coach employed through the year, 25 hours a week
- Sports coach monitors and assess pupil's decision making and performance skills
- Events are booked for parents such as healthy cooking and children are participating in healthy nutrition cooking workshops
- There has been an increase in positive behaviour during lunchtime play, a sustained reduction in first aid incidents and the children's fitness levels are improving.
- Children are participating in a wider range of sporting activities including through PE lessons, after school clubs, sports tournaments with other schools, external specialist tuition and school journey
- Children are making good progress in their attainment in PE
- Children have developed their knowledge in how PE and sport can play a part in having a healthy lifestyle
- Children enjoy a wide range of sporting activities during lunchtimes
- The profile of PE, Sport and healthy activities have been raised across the whole school community
- Pupil and Parent Questionnaires evidence high levels of enjoyment in PE and Sports activities and that children can promote their unique gifts

Sustainability:

The improvements will be sustainable due to ongoing investment in the successful initiatives, staff CPD and community activities, consistently building on the practices already in place. This is documented above in the 23/24 development plan.

Swimming:

Percentage of pupils within the year 6 cohort who met the national curriculum requirement to:

- swim competently, confidently, and proficiently over a distance of at least 25 metres – **57%**
- use a range of strokes effectively (for example front crawl, backstroke, and breaststroke) – **21%**
- perform safe self-rescue in different water-based situations – **71%**
