

In History we will be asking...

- When did the Vikings first invade England?
- Why did they invade?
- What was their legacy?
- How were they different to the Anglo Saxons/Romans?
- Why was England/UK invaded so many times?

I already know...

I have learned:

Key Vocabulary

- invasion
- legacy
- reasons
- patterns
- summary
- first-hand account
- primary source

In Science we will asking...

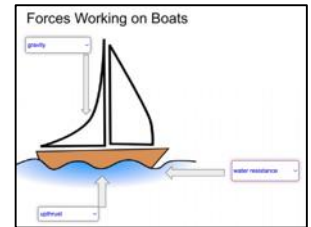

- What force makes a boat float?
- What is air resistance? What is water resistance?
- How does a sail use air resistance?

I already know...

I have learned:

Key Vocabulary

- water resistance
- water resistance
- force
- material
- properties
- buoyancy/ upthrust
- Contact force
- Non contact force

In Geography we will be asking...

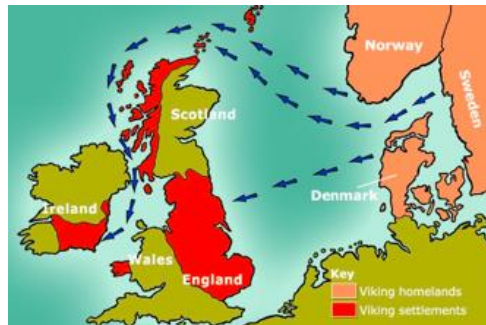

- Where did the Vikings come from?
- How far did they travel?
- How did they get here?
- What countries make up Scandinavia?
- How do we use a map scale to calculate distance?

I already know...

I have learned:

Key Vocabulary

- Scandinavia
- route
- scale
- calculate
- border
- cluster
- population
- coastal

Invaders and Settlers Viking Invasion!

Topic Review

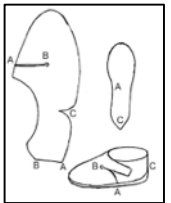

In DT we will be asking...

- What were Viking shoes made from?
- Were men and women's shoes different?
- How did the soles or boots stay on?
